What are cookies?

Cookies are small text files stored on your device when you visit a website. They help websites function correctly, improve user experience and provide information about how visitors use the site.

How we use cookies

Scarlett Rose Events uses cookies to:

- Ensure our website functions correctly.
- Understand how visitors use our website through analytics.
- Improve the performance and user experience of our website.
- Remember your cookie preferences.

Managing your cookie preferences

When you visit our website, you will be presented with a cookie consent banner which allows you to choose which non-essential cookies you wish to accept.

You can also manage or delete cookies through your web browser settings. Please note that disabling some cookies may affect how our website functions.

Third-party services

Our website may use third-party services, including Google Analytics, to help us understand how visitors use our website. These services may place cookies on your device only where you have provided the appropriate consent.
